

# Tom Patire's TRAINING FOR LIFE®

**Tom Patire's® Training For Life®** program will teach you the necessary skills and give you the confidence to be your best defence when something, or someone, goes wrong.

**Training For Life®** is the ultimate personal protection course for men and women of all ages. The course is tailored to everyday people, regardless of your previous training experience, age, size or gender.

Empower yourself with this two hour self-protection course that will teach you life-saving skills for protection of one's self or the people you love. All courses provide hands-on training with a certified Training For Life® instructor and are conducted in one of our licensed Training For Life™ facilities or at a location of your choice.

Tom Patire is America's Leading Personal Safety Expert™ and is the creator of the world renowned safety course, Training For Life®.

Tom and his programs have appeared regularly on FOX, Good Morning America, CBS Morning Show, CNN, Inside Edition and "Life & Style" as "the" personal safety expert. Tom's expertise has been featured in Redbook, Cosmopolitan, Family Circle, Fortune Magazine, USA Today, The Wall Street Journal, Crain's Business, Black Belt and Counter Terrorism, just to name a few.
